

WINDOW & DOOR GRAPHICS

Affordable and versatile, stick with them to promote, inform or build your brand!

Vinyl Decals

- Weather resistant
- Adhesive-backed film
- Removal is time consuming
- Not reusable
- Great for long-term outdoor applications:
 - Branding
 - Business hours
 - Addresses

vs.

Static Clings

- Not weather resistant
- Plastic film that adheres with static electricity
- Easily repositioned and removed
- Reusable
- Best for short-term promotional use indoors:
 - Promotions
 - Sales
 - Seasonal decorations

Improve Their Outlook—and Your Prospects

Cover any windows facing unsightly cinderblock walls, alleys or dumpsters with decorative, promotional or informative graphics!

Hey! A Little Privacy, Please

Vinyl films can add an element of style—and privacy—to office or conference room windows. Think logos, frosted-vinyl graphics or even murals!

No Permits or Fees Required

While most cities strictly regulate permanent signs, many allow for unlimited window graphics. However, you should always check first to be sure!

For attractive window and door graphics, look to Image360! A local resource that's part of an extensive national network of Centers, we distinguish ourselves not only with comprehensive solutions, but also professional results.
